"CHURCH SPEAK" ... dedicated to clarity in the service

Holy Communion, known also as the Lord's Supper, represents the greatest expression of God's love for His people. Two items are used in the Holy Communion—the bread which represents Jesus' body that was tormented and beaten before and during His crucifixion, and the cup which represents His shed blood.

On the night that He was betrayed, Jesus ate His last supper with His disciples. And knowing what He would accomplish through His sacrifice, He instituted the Holy Communion (Luke 22:19–20, 1 Corinthians 11:24–25).

His loving instruction is that we are to remember Him as we partake of the Holy Communion. Jesus wanted us conscious of how His body was broken for our wholeness, and His blood was shed for the forgiveness of our sins. And whenever we partake in this consciousness, we "proclaim the Lord's death till He comes" (1 Corinthians 11:26).
